ROTARY DISTRICT 7360 4-WAY TEST SPEECH CONTEST 2017-2018

The 4-Way Test

From the earliest days of Rotary, Rotarians have been concerned with promoting high ethical standards in their professional and everyday lives. One of the world's most widely printed and quoted statements of business ethics is The 4-Way Test, which was created in 1932 by Rotarian Herbert J. Taylor (who later served as Rotary International's president) when he was asked to take charge of a company that was facing bankruptcy. This 24-word test for employees to use in making decisions in their business and professional lives became the guide for sales, production, advertising, and all relations with suppliers and customers. The survival of the company is credited to this simple philosophy. Adopted by Rotary in 1943, the 4-Way Test has been translated into more than a hundred languages and published in thousands of ways. It asks the following four questions:

Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

The Purpose and Goals of the Contest

The purpose of the 4-Way Test Speech Contest is to foster the principles of ethics in everyday life as well as in business. The Contest is designed to introduce high school students to Rotary by creating interest through a competitive speech contest, sponsored by their local Rotary club.

The specific goals of the Contest are:

- To acquaint a large number of youth with Rotary, and specifically, the tenets of the 4-Way Test.
- To demonstrate and enhance Rotarians' commitment to youth.
- To heighten awareness of Rotary among students, parents, school officials, and the community at large.
- To recognize, encourage and reward hard work and accomplishment in our youth.
- To provide an opportunity for Rotarians to participate in a Community/Vocational Service program which focuses on the 4-Way Test as our standard of behavior.

ROTARY DISTRICT 7360 4-WAY TEST SPEECH CONTEST 2017-2018

Contest Rules

Topic: Each contestant should choose the topic of his/her speech. The purpose of the speech is to address an ethical issue using the principles of the 4-Way Test. The issue to be addressed should be something from the speaker's personal experience or general knowledge. There are no restrictions regarding the choice of topic as long as it is not blatantly offensive. If a contestant or coach is in doubt about the appropriateness of a topic, he or she should check with the Club Contest Chair. The decision of the Contest Chair will be final. **All speeches must be the original work of the speaker.**

In the speech, the topic must be specifically related to the Rotary 4-Way Test. This must be addressed during the body of the speech and not reserved for concluding statements only. **Each one of the four parts of the 4-Way Test should be addressed during the speech.** They should be specifically stated, as the intent of the speech is to use the 4-Way Test to resolve an ethical issue. The use of each element of the test could be used to prove either a positive or negative point. However, more weight will be given to an **overall positive application of the 4-Way Test** rather than a negative one.

These are to be speeches and not dramatic presentations. Although enthusiasm, good eye contact, and movement are encouraged, the student should not go to extremes. Content should be relevant and in good taste. Topics should be interesting and relevant to the speakers' interests or experiences. Students who advance to the Regional and District contests may, at their option, present the same speech given at preceding level contests or create modified or new presentations.

Length: Speeches must be at least 5 minutes and no more than 7 minutes in length. Penalty points will be subtracted for time infractions, at the rate of two points for every fifteen seconds or fraction thereof that a contestant's speech runs either under the 5-minute minimum or over the 7-minute maximum.

Props: No props are to be used. Audience participation will be considered a prop. Penalty points will be subtracted for use of props or encouragement of audience participation, at the rate of two points per infraction.

Speaker Aids: At Club contests, a lectern and microphone may be provided, at the discretion of the Club. At the Regional contests a lectern will be provided and perhaps a microphone and at the District Finals contest, a lectern and microphone will be provided. **When provided, the use of the lectern is at the discretion of the speaker however the microphone should be used.**

Notes: Contestants may speak from notes at the club competition.
At the Regional competition, **only a single 3 x 5 card** may be used.
At the District final, **notes will not be allowed.**

Infractions of rules will result in disqualification or point deductions.

Please make sure that all competitors are aware of these rules.

ROTARY DISTRICT 7360 4-WAY TEST SPEECH CONTEST 2017-2018

Your Club Contest: What You Need To Do

1. **Notify the District Chairperson (Roy Adams: rda313@comcast.net) by email that your club intends to participate as soon as you decide.** Return the Club Entry Form, with payment by March 1, 2018. Any questions contact the District Chair.
2. Have your committee review the contents of this Manual. Make copies of information that you want to distribute. Note: Individual forms are available on the District website as well as in this manual.
3. Contact the High School and explain the contest. Find a cooperating teacher and make contact with them. Volunteer to go to the school and teach the lesson that explains all about Rotary, the 4-Way Test and the Speech Contest, why we have it, what the speeches should be about, how they are judged, and what the prize money will be. (See the sample Lesson Plan on pages 10 -11).
4. It is recommended that there be no more than six (6) contestants in a club contest. If necessary, Rotarians from your club should go to the schools to conduct semi-finals. If there is only one participating school in your area, the contest and judging can be held at a club meeting as the program. If more than one school from your area is competing, have the winners from each school present their speeches as a competition at a regular meeting.
5. For the club meeting when speeches are given, invite the parents, principal, and cooperating teacher(s) in addition to the speakers. The club should pay for any additional meals. The award of cash prizes, 4-Way Test plaques, pens, etc. is at the discretion of the club. If cash awards are to be given, it is recommended that awards of \$100, \$50 and \$25 be given to the 1st, 2nd and 3rd place winners, respectively.
6. Use the enclosed judging sheet to determine winners. This will be the scoring sheet used at the Regional and District levels. **Be sure the participants have seen and use the form when developing their speeches.**
7. Have some "filler time" available during judging. (See Sample Club Contest Agenda - Page 8-9)
8. Prepare press releases, if possible, to acknowledge your contestants and provide your club with additional Public Relations.
9. Should your contestant win at the Club level, plan to have a Rotarian chaperone your participant at the Regional competition. **Students may not participate without a club chaperone. Please plan ahead!**

ROTARY DISTRICT 7360 4-WAY TEST SPEECH CONTEST 2017-2018

Sample Club Contest Agenda

1. Once contestants have arrived, have them draw a number to determine their speaking order.
2. The Master of Ceremonies of the contest may make the following announcements at the beginning, but you may wish to make them between the speeches, when the judges will need a moment or two to finish marking their score sheets:
 - Each contestant has chosen the topic of his or her speech. The purpose of the speech is to address an ethical issue using the principles of Rotary's 4-Way Test:

Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

 - **Ask people to turn off cell phones**
3. The Master of Ceremonies should explain that each speaker will be introduced by NUMBER ONLY with no mention of names or school affiliations until after all contestants have given their speeches. **Also explain that there should be no applause between speakers** and that there will be silence between speakers, so that the audience does not influence judges and the judges have an opportunity to rate the speakers (**posting a sign on the podium is recommended**). Do not point out the judges or timekeeper before the contest, although it will probably be obvious who they are.
 4. After the last contestant has spoken, invite the judges and the teller to leave the room to tally their points and rank the speakers.

ROTARY DISTRICT 7360 4-WAY TEST SPEECH CONTEST 2017-2018

Sample Club Contest Agenda (cont'd)

Invite each speaker up by number and have them give their name, grade, school, extra-curricular activities, and plans for the future, and anything else you want to include. Note: you may want to do this after the judge's return, as judges usually want to hear about the students as well.
6. When the judges return with their rankings, introduce them, the timekeeper and the teller. Then announce the second runner-up, first runner-up, and winner. (The first runner-up speaker will represent the club in the event the winner cannot participate in the Regional contest). Present awards/ plaques/certificates. ROTARY DISTRICT 7360 4-WAY TEST SPEECH CONTEST 2017-2018

School Visit / Sample Lesson Plan

The purpose of a school visit is to engage students and the cooperating teacher in discussion so they have a clear understanding of the 4-Way Test Speech Contest.

Introduce yourself to the class as a member of your Rotary Club, which is part of District 7360.

Ask if anyone knows anything about Rotary. You will usually get blank stares, rolled eyes, laughter, or possibly an answer. Ask if they ever noticed the Rotary emblem on one of the street signs. Show them your pin.

Ask them if they have any idea why you are addressing them and what's in it for them. Ask them if any of them plan to either seek employment or go on to college after graduating. Explain that there is value in both ethics and public speaking. Explain that on a college application, or a resume, participation in the 4-Way Test Speech Contest is noticeable and can open doors for them.

Ask to have them let you back up just a minute and explain about Rotary in general and your club in particular, and how they can benefit. Explain that Rotary is an international organization with over 1.2 million members in over 168 countries. Rotary has five avenues of service: Club, Vocational, Community, International and New Generations. The Speech Contest falls under Vocational Service because it is designed to offer a competitive speech contest that encourages ethical thinking and enhances self-confidence through public speaking. Explain that your Club is one of 77 in District 7360, which runs from the New York State border through central Pennsylvania, and into Western Maryland and Eastern West Virginia.

Say that this is a real competition.

Ask if anyone in the room could use over \$1,000 in prize money. This will usually stimulate some positive reaction. Mention the Youth Exchange, and RYLA (Rotary Youth Leadership Awards) programs.

Get back to the speech contest and explain what it is and how it works.

If you have the ability, play a You-Tube video of a speech being given.

Explain that it is a five to seven minute ethics-based speech that uses the Rotary 4-Way Test of the things we think, say, or do, to help solve an ethical or moral issue from their own experience.

Tell them what the 4-Way Test is.

Ask if anyone can think of a situation to discuss. If they can't, give them a little help with an example, such as, smoking, distracted driving, volunteering, etc.

Make this part fun by asking challenging questions. If they come up with an idea or statement, drill down by asking them questions that make them think and expand their views.

ROTARY DISTRICT 7360 4-WAY TEST SPEECH CONTEST 2017-2018

School Visit / Sample Lesson Plan (cont'd)

How can they structure a speech around this topic? Try these examples and do it by asking questions that stimulate thought. (Questions that begin with How does . . .

My friends and I want to smoke but my parents don't want me to. Or, some kids don't want to be friends with me because I smoke, but they should accept me for who I am and not for just one thing that I do.

Build a discussion around this: is the issue about smoking, health, peer pressure, rebellion, or enjoyment, etc. What is the truth about smoking and health, finances, peer pressure, independence, relationships? Is smoking fair to the smoker and others, etc.? How does it build good will and better friendships? How and why will it be beneficial and to whom? Use the discussion to help them move to a conclusion. Maybe their conclusion will be affirmed, or maybe it will change their mind if THEY decide that THEY don't want to smoke.

Maybe someone has a family member who has to go to a nursing home and they feel guilty about that decision. Sure, reasons for going to a nursing home are real and very true, but how do you deal with feelings and the finances involved when making those decisions.

Best picks for subject matter are something the students bring up. Be creative about how to structure a speech around topics. Point out that good speeches often have the simple, obvious answer vs. deeper and more complex issues.

The idea is to have them understand that they can come up with the idea for the speech and that they can make it compelling. Most important is that they have gone through a process for how to make a better decision.

Point out that the test can be used to prove or disprove either a positive or a negative issue. However, emphasize that the **scoring will give more weight to a positive application of the 4-Way Test.**

Have the cooperating teacher write on the board, and have the students write in their notebooks the following web information: www.district7360.org. Tell them to visit the link on the District website homepage to the District 4-Way Test Speech Contest. Contest information and registration forms can be found in the on-line manual and as separate items.

Let the cooperating teacher and the students know that you are available to help them with any questions.

ROTARY DISTRICT 7360 4-WAY TEST SPEECH CONTEST 2017-2018

Selection of Judges for the Club Contest

- Judges at the club level will be selected and recruited by the Club Contest Chair of the host club.
- Three judges, a timekeeper and a teller (to tabulate the judges' scoring sheets) will be required. The timekeeper and teller can be the same person
- Judges may or may not be Rotarians. In either case they must have no knowledge of or relationship to any of the speakers or their school.
- Judges should be selected on the basis of their impartiality, educational background, and familiarity with speech contests. Where available, clubs are encouraged to partner with a local Toastmasters Club to supply one or more judges. If needed contact District Chair Roy Adams for assistance: rda313@comcast.net
- Make sure the Judges are knowledgeable about and understand the four tenets that are the 4-Way Test.

ROTARY DISTRICT 7360 4-WAY TEST SPEECH CONTEST 2017-2018

Judge's Instructions

General

1. Judges and the timekeeper/teller will seat themselves apart from each other and not communicate about their evaluations of speakers until after the teller has tallied scores.
2. Each speaker will be awarded points in the three categories listed below. Record points immediately after each speech. (The contest Chair will make sure judges are ready before calling the next speaker.)
3. Columns should be added and rankings computed after all speeches have been given and the judges have left the room.

Judging Criteria

Judging will be based on a 100-point system, broken down into three categories as follows:

1. Content - 44 points
2. Organization - 24 points
3. Delivery - 32 points

NOTE: Judges may find it easier to differentiate between contestants by using partial points on the scoring sheet rather than whole numbers.

Judging Procedures

The winner of the contest will be decided by **cumulative rank order** (i.e. the sum of the ranks from all of the judges) NOT total points. Each contestant's rankings will be totaled and **the speaker with the lowest total ranking earned will be declared the winner.**

Judges will total points for each speaker on their individual scoring sheets, subtract penalty points (if any) and enter net points. Each judge then ranks the speakers 1 through "n", by the net points, with the highest score being ranked "1", the next highest, "2", and so on. If a tie exists on an individual judge's scoring sheet, the **first tiebreaker** is points scored in the "Content" category. If a tie still exists, the **second tiebreaker** is the "Delivery" category. The teller will tabulate the judges' scoring sheets.

If a tie still exists, the **first tiebreaker** is total net points. The contestant with the highest total of net points on the judge's scoring sheets will be declared the winner. If a tie still exists, the second and final tiebreaker will be a **vote of the judges**. The contestant receiving the majority vote of the (three) judges will be declared the winner and the judges' decision will be final.

There will be no ties in the final standings of the winner and the 1st runner-up. The final results are to be recorded and presented to the Master of Ceremonies by the teller upon their return from deliberations.
