Youth Exchange Host Families Needed
2018-04-26

Rotary Youth Exchange is an integral part of Rotary and Club 99 has a history of great Youth Exchange successes! It’s time for another success and we need your help to make it happen. Club 99 is actively seeking Host Families for an upcoming Exchange student starting in Aug-18. However, to make this happen, we need to secure the first host family ASAP.

Hopefully, we will secure Host Families from Club 99 members; but, if this isn’t you - please reach out to your network and help secure a Host Family. Please send contact information on interested candidates to Keith Hughes - hugheskeith@sbcglobal.net - 501-374-5157 or Susan Chan -
Hosting a Youth Exchange student from another country is a challenge and an opportunity. Involvement with an exchange student challenges a host family to become familiar with another culture, while providing the opportunity to share a student’s hopes and ambitions. These challenges and opportunities promise to enrich the lives of every member of your family.

Many families in Little Rock have found a fascinating new son or daughter by hosting a foreign exchange student. The Youth Exchange Committee hopes that you and your family will consider becoming such a family or becoming a host family again. In Rotary’s Exchange program, students are between 15 and 18.5 years old and stay with 2 or 3 families over the course of the school year. Support for the student and host families is provided by committee members and the Rotary District. If you are unable to host a student, would you please talk to your friends and colleagues about this opportunity?
